UNITED STATES DISTRICT COURT  
DISTRICT OF SOUTH CAROLINA

**CONFERENCE AND SCHEDULING ORDER  
AND RULE 26(F) REPORT FORM**

JUDGE DAVID C. NORTON

**NOTICE TO COUNSEL**

Attached please find a proposed scheduling order for your review and comment. The 2000 Amendments to the Federal Rules of Civil Procedures, and subsequent amendments to the local rules for this district, now require that, early in the litigation, counsel meet, confer, and submit certain information to the court. Some of the requested information is needed to formulate a scheduling order. The judges of this district have determined that the most feasible way of accomplishing this is for the court to enter a tentative scheduling order with a request that the parties meet and determine if the dates proposed by the court are acceptable.

The deadline for meeting and conferring in this case is set out in Paragraph 1 of the attached scheduling order. A form (RULE 26(F) REPORT) is attached and must be completed and returned indicating your acceptance of, or suggested changes to, the scheduling order.

A scheduling order "is not a frivolous piece of paper, idly entered, which can be cavalierly disregarded by counsel without peril." *Forstmann v. Culp*, 114 F.R.D. 83, 85 (M.D.N.C. 1987) (quoting *Gestetner Corp. v. Case Equipment Co.*, 108 F.R.D. 138, 141 (D. Me. 1985). "The use of discovery closure dates and deadlines for disclosure of experts are important tools for case management." *Serrano-Perey v. F.M.C. Corp.*, 985 F.2d 625, 628 (1st Cir. 1993).

The Local Civil Rules for the District of South Carolina, as well as the forms referenced in this order, are available on this District's website at:

**SPECIAL NOTICE TO COUNSEL**  
**WITH CASES BEFORE**  
**JUDGE DAVID C. NORTON,**  
**UNITED STATES DISTRICT JUDGE**

*Please carefully review the following instructions which relate to problems which frequently arise regarding scheduling orders and related litigation management issues.*

**COURTESY COPIES**

Unless specifically requested, you should **not** send a "courtesy copy" of any filed document to Judge Norton's chambers. The court is automatically provided with the copy when the original document is filed with the Clerk's Office. If it is necessary to file a document in another courthouse and if time is critical, you should first call chambers to determine if Judge Norton would like a copy sent directly to chambers.

**CORRESPONDENCE BETWEEN COUNSEL**

Attorneys frequently copy the court on correspondence between counsel. This is seldom appropriate. Unless correspondence is directly related to a pending motion, there is no reason to copy the court. If it relates to a *pending* motion and is relevant to issues before the court, the correspondence should be filed as an exhibit. If it merely relates to an anticipated motion (usually a discovery dispute), it would be more appropriate simply to hold such correspondence and to attach it as an exhibit if a motion becomes necessary.

**EXTENSION OF DEADLINES**

The deadlines in scheduling orders issued by this court are established after review of the parties' Fed. R. Civ. P. 26(f) reports and interrogatory responses with careful consideration to the nature of the case and the times requested for discovery. For this reason, extensions should *seldom* be necessary. If, however, it becomes necessary to seek an extension, you may submit a letter or motion addressing the following:

- Date of the current deadline;
- Whether the deadline has been extended before;
- The number of additional days requested, and proposed new deadline;
- Whether the extension would affect other deadlines; and
- If opposing counsel agrees to or opposes the extension.

**Do not** wait until the last day before the deadline to request an extension. **Do not** call chambers to determine if the extension has been granted. You may, however, call the docket clerk in the Clerk's Office. Absent extraordinary circumstances, requests should be made sufficiently in advance to allow you to receive a response before the deadline passes. See Local Civil Rule 6.01 and 6.02.

## **FACSIMILE USAGE**

The District of South Carolina does not allow for documents to be filed by facsimile and Judge Norton discourages the use of facsimile transmissions to chambers. Under certain compelling circumstances, however, counsel may correspond with the court by facsimile. The following guidelines apply:

- Facsimile should **not** be used unless a member of chambers staff has requested or approved the use of facsimile;
- Facsimile should **not** be used unless hand delivery is impractical and *the court* needs to have the information more quickly than could be accomplished by regular mail;
- Facsimile is *not* a substitute for filing any document required to be filed;
- **Do not** send chambers a hard copy of documents sent by facsimile unless specifically requested.

## **AMENDMENT OF PLEADINGS**

This is the earliest deadline for a very important reason: to allow discovery to address all issues and all potential parties. Late requests to amend are, therefore, strongly discouraged. This is especially true if the amendment would add a party. Any request to amend after the scheduling order deadline should include an explanation of why the amendment could not have been sought earlier. Parties who delay seeking to amend until late in the litigation, especially as to known potential parties, risk denial of their motions.

## **FILING OF CONFIDENTIAL MATERIAL**

The parties' attention is specifically directed to Local Civil Rule 5.03 regarding the filing of confidential material.

## **WEB SITE**

The District of South Carolina maintains a web site with various forms and resources at:

**[www.scd.uscourts.gov](http://www.scd.uscourts.gov)**

1. Plaintiff's counsel shall initiate the scheduling of the Rule 26(f) conference with all counsel known to plaintiff regardless of whether they have filed appearances. At conference, the parties shall confer concerning all matters set forth in Rule 26(f) and whether the schedule set forth in this order is appropriate and, if not, what modifications are necessary. See attached form – RULE 26(f) REPORT.
2. Parties are hereby notified that Local Civil Rule 26.03 lists additional queries to be answered in the Rule 26(f) Report. See also Local Civil Rule 26.02 (rules for answering court interrogatories).

3. See Fed. R. Civ. P. 26(a)(2) and (a)(2)(B). Note that while Fed. R. Civ. P. 26(a)(2) does not require filing any portion of the written report or disclosure, Judge Norton requires filing of a document which identifies the expert and certifies compliance with this rule.
4. Standing Order to Conduct Mediation of Judge Norton, which sets forth additional mediation requirements applicable to this case available at [www.scd.uscourts.gov](http://www.scd.uscourts.gov)
